WELCOME to the Friends of the Whittemore Library!

Your library is a precious resource — one that you can help foster and grow. The **Friends of the Whittemore Library** is a 501(c)(3) nonprofit whose mission is to support Naugatuck's Howard Whittemore Memorial Library, its programs, and its staff.

What We Do

- Obtain free/reducedcost passes to museums throughout the state.
- Acquire new furniture, equipment, and supplies for the library.
- Sponsor programs for children and adults.
- Organize annual used book sales.
- And much more!

How We Do It

We regularly host a variety of community outreach and fund-raising activities, like:

- Used book sales.
- A youth poetry contest for K-12 students.
- Literacy donations to Naugatuck schools.

How You Can Help

Membership is free and open to everyone. It is through your generous time and talents that we can make the library the best it can be. Our volunteers ...

- Work at our annual book sales.
- Help maintain and sort our used book inventory.
- Support our events.
- Suggest new programs
- And so on!
